Objective:

As a current BSc IT student with a passion for IT, I am enthusiastic about the opportunity to apply my academic knowledge and cultivate practical skills through a challenging internship. Eager to contribute a blend of adapt to evolving situations, communication and teamwork to a dynamic team, while gaining invaluable hands-on experience.

Education:

- Pursuing Undergraduate degree in B.Sc. Information Technology at PSGR Krishnammal College for Women, Coimbatore with aggregate of 8.6 CGP(Till fourth semester).
- Completed HSC at RG Matric Higher Secondary School,Pedappampatti with an overall aggregate of 92%.
- Complete SSLC at RG Matric Higher Secondary School,Pedappampatti with an overall aggregate of 75%.

Experience:

Duration : 3 Month , from December 2023 to February 2024

During my enriching three-month internship at ELGI Equipments Limited, I delved into the realms of web development, primarily focusing on HTML, CSS, and JavaScript. My primary project involved crafting a Virtual Business Card, where I honed my skills in front-end technologies and learned to blend creativity with functionality.

Throughout this internship, I embraced challenges eagerly, furthering my understanding of web development nuances and refining my problem-solving abilities. ELGI Equipments Limited provided me with a platform to apply theoretical knowledge into practical scenarios, fostering personal and professional growth that will undoubtedly shape my future endeavours in the tech industry.
